## EXPERIENCE

### FRONTEND DEVELOPER

#### Personal projects | 2021 - present

- **Chat app:** I made use of **socket.io** to create a chat application.
- **IP address tracker:** I created a simple IP tracker that made use of an **API**.
- **Interactive Comment section:** I created a comment section where user can post comment, edit it and even delete it. This project uses **localStorage**.

### SOCIAL MEDIA MANAGER

#### Viralculture.ng | 2021 - 2022

- Engaged the followers and increased page activity.
- Curated suitable page and story content for Instagram and posted them regularly.
